# BIBLE'S

«Now the purpose of the commandment is love from a pure heart, from good conscience, and from sincere faith». (1 Tim 1:5).

August 2013 №2 (47)

# WORD

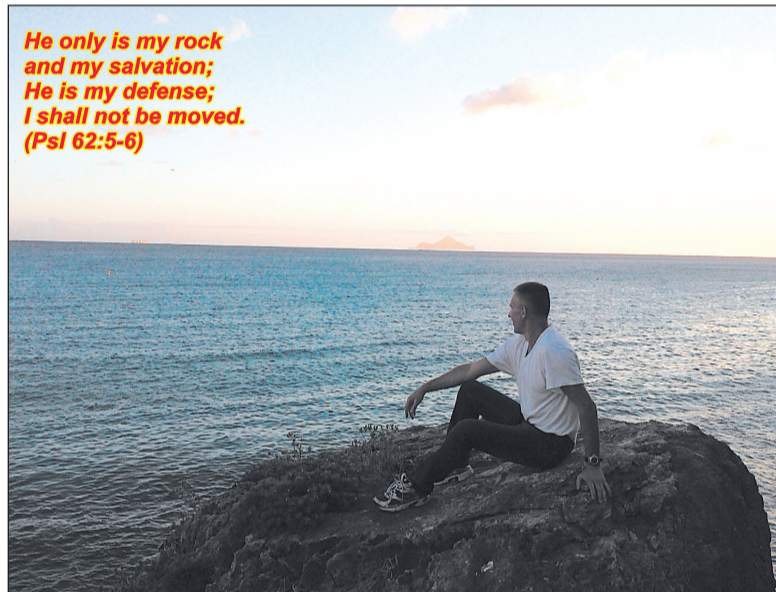

«You search the Scriptures, for in them you think you have eternal life; and these are they which testify of Me» (John 5:39).

«For You are my lamp, O Lord; the Lord shall enlighten my darkness» (2 Samuel 22:29).

## THE MEANING OF LIFE CAN ONLY BE FOUND IN GOD

We have GOD in our conscience, although it can be partly lost. Our soul has something like a shape or form which has to be fulfilled by Holy Spirit-the countenance of GOD. (Recently it was approved by the meteor which zoomed in Russia). People fell there on their knees asking for mercy from GOD.

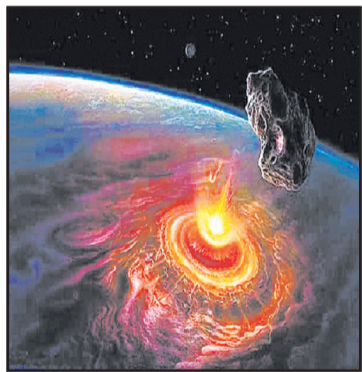

Isn't it a testimony of such a thing that we must be "shaken" so that we would think how we walk before GOD? There is a saying that EVEN ungodly communists, that during WWII they prayed to GOD, not to comrade Stalin. We need life's stresses because we can't understand the good will that is out there already. Those communists which recently persecuted us for Christ's testimony- if we didn't give up yet to "Jail" of conscience, in time of their hardship, or while

their kids were very sick, or some other grief falls on their heads. (John 1:5)

I have had the opportunity to visit many countries of the world. This included 49 of the US states (Alaska and Hawaii as well) almost everywhere in Europe (except 3 countries), and some of the Caribbean countries. I noticed that everywhere people had a "frame" which has to be fulfilled by real love, and it is only through the word of GOD, only one way-by the acknowledging of

Jesus Christ. In Ephesians it is very clearly written in Ephesians in Chapter 1, we repeat that in our "Bible's Word" newspaper logos calling to the pure minds by way of godly remembrance. We recognize all events throughout different sources which partly frustrate us but peace, ease, and eternal life and the true meaning of all we discover by Bible, which GOD gave us and by the mercy of Christ we can peacefully study it today for our own good.

LIKE A BIRD THAT WANDERS FROM ITS NEST IS A MAN WHO WANDERS FROM HIS PLACE (Proverbs 27:8)

You know, for the last couple of decades I have lived in two places - Ukraine and the USA. Mostly I have spend my time in the USA. While I am in Ukraine I try to occupy with my thoughts with this newspaper "Bible's Word". Joy, which are above all joys - it is joy in the Word of God: "I rejoice at God's Word as one that findeth great treasure" (Psalm 119:162) I wish all have it (God's word) and understand it! That's the greatest treasure people have to gain: "...the kingdom of heaven is like treasure hidden in a field, which a man found and hid; and for joy over it he goes and sells all that he has and buys that field" (Matthew 13:44)

I like to live here and over there. God found for me "sources of life" in two places. I have friends over here and over there. One day at my work at the JFK Airport in New York, one customer who is Jewish, said to me that he thinks also it would be good for me to live in Israel as well. I don't know why he said that, but within 5 minutes of our conversation I tried to explain my life in Christ, basing it on the belief of the foundation of Torah in spiritual way.

Yet, often I hear a question: "Where is it better for you?" My answer is: "THERE WHERE I AM BELOVED!" Recalling the words of one theologian: "Why do I want to live tomorrow? Because there are those who love me" It is why we want to live but it is even better when regenerated soul recognize the joy of salvation by turning to God! "...for the joy of the Lord is your strength." (Nehemiah 8:10)

"...rejoice because your names are written in heaven" (Luke 10:20) "Rejoice in the Lord always, Again I will say, rejoice" (Philippians 4:4)

This is exactly what holds me as an immigrant - more than 23 years in America. In fact, there isn't a better book except the Bible that people would take whenever they go, either in jail or to an isolated island or somewhere else.

Traveling around the world I noticed that the highest authority and influence only the Bible had gained. Thus, on pages of our newspaper we express our love to the Source of Life. Let a hint for "request" and need of prayer to God that He would be merciful over readers and open His deepest treasure, more than for us, immigrants just to gain citizenship of some capitalistic countries. As it says: "For our citizenship is in heaven from which we also eagerly wait for Savior..." (Phil. 3:20).

Now, according "a bird", I feel as "a happy bird", if Bible says that God counted all birds, so even we (I am) better in His eyes... (Mt 6:26) So, here I am! For God takes care of us, in my personal life I see His Almighty hand either in grief or happiness - everything was profitable because in all circumstances it developed me.
