PRESIDENT'S MESSAGE

The Chinese language is currently spoken by more people than any other language to the world. According to Internet usage statistics, Chinese is the second most common language on the Internet. For these reasons, Salt Lake Bible College has initiated an affiliated Study Center namely (Grace Theological Institute) 仁愛華文神學院 (中文系) which is in keeping with our mission to build up the body of Christ worldwide.

We are pleased to offer a Chinese language-based theological education in Psychology and Christian Counseling to Chinese-speaking people all over the world. SLBC's President and all the faculty members and staff are thankful to our God, who has provided this opportunity, and we pray that He blesses you through your education with us.
